Enrollment, Attendance, and Tuition

At Amazing Kids Academy, we value consistency, communication, and partnership with families. Our enrollment and tuition policies are designed to ensure that every child receives high-quality care and that our classrooms remain well-staffed and prepared for each day of learning.

Enrollment

Enrollment at Amazing Kids Academy is open to children from six weeks through three years old. To secure a child's placement, families must complete the required enrollment forms and pay a registration fee. Spaces are filled on a first-come, first-served basis, and families are encouraged to register early due to limited availability. Before a child's first day, families will receive all necessary orientation materials, forms, and program information. We strive to make the enrollment process smooth and welcoming, helping every child and family begin their journey with confidence and excitement.

Attendance

Regular attendance is important for a child's sense of routine, comfort, and development. We ask that families notify the center if their child will be absent for any reason. Consistent attendance helps children adjust to daily schedules, build relationships, and fully benefit from our hands-on learning environment. If your child will be out for an extended period, please communicate with the center so we can make any necessary arrangements. Families are responsible for tuition during absences, as staffing and classroom spaces are reserved for enrolled children.

Tuition and Payments

Tuition is due every Monday at the start of the week. We accept the following payment methods for your convenience:

- Cash
- Check
- Zelle
- Approved app-based payments

A \$25 late fee will be applied to any account not paid by Tuesday of the same week. If tuition becomes one week past due, the child may not attend until the balance is paid in full. This policy ensures fairness and allows us to maintain the quality and consistency of care that every family deserves. Families are encouraged to communicate proactively if payment arrangements are needed — we are always willing to work together in a respectful and understanding manner.

Withdrawal or Schedule Changes

We request a two-week written notice if a family plans to withdraw from the program or change their child's schedule. This notice allows us to plan appropriately for classroom transitions and offer available spaces to waiting families.

Our Commitment

Amazing Kids Academy is dedicated to working with families to ensure that enrollment and tuition processes are transparent, fair, and supportive. Our goal is to make every part of your experience — from enrollment to daily attendance — smooth, predictable, and filled with care.
