Daily Schedule & Routine

At Amazing Kids Academy, we believe that young children thrive in environments that are both predictable and flexible. A consistent daily routine helps children feel secure and confident, while allowing room for curiosity, exploration, and individual needs. Our program operates Monday through Friday, from 7:00 AM to 5:30 PM, serving children from six weeks through three years old. Each day is thoughtfully planned to balance active play, quiet rest, nourishment, and meaningful learning experiences.

Infant Routine (6 weeks – 18 months)

Our infant program follows each child's individual rhythm for eating, sleeping, and play. Teachers work closely with families to ensure smooth communication and consistency between home and school.

- Warm, nurturing greetings and drop-off routines
- Bottle feeding and diapering based on individual needs
- Tummy time and sensory play
- Gentle music, stories, and early language activities
- Outdoor walks or stroller time (weather permitting)
- Cozy nap times as needed throughout the day
- Cuddles, songs, and floor play to promote bonding and development

We communicate with families daily to share updates, feeding times, naps, and special moments.

Toddler Routine (18 months – 3 years)

Our toddler program introduces more structure while still allowing flexibility for each child's needs and interests. The daily schedule balances active exploration with time to rest, recharge, and connect.

- Warm greetings and free play upon arrival
- Morning circle time with songs, stories, and group discussion
- Learning centers and creative play (blocks, art, sensory exploration)

- Outdoor play and gross motor activities
- Snack and lunch times (meals provided from home)
- Rest and nap time after lunch
- Afternoon small group play and enrichment activities
- Outdoor play and social time before departure

Teachers maintain open communication with families, sharing highlights of each child's day, developmental notes, and joyful moments.

While routines provide security and comfort, we know that every child's needs are unique. Our teachers thoughtfully adapt daily plans to ensure each child feels supported, respected, and cared for throughout the day. At Amazing Kids Academy, our goal is to make every day feel like a safe, joyful, and meaningful experience — one that nurtures growth, independence, and a lifelong love of learning.
